### CitiScape Property Management Group Celebrates 10-Year Anniversary in High-Growth Mode

SAN FRANCISCO, CA (July 6, 2009) CitiScape Property Management Group, a full-service property management firm offering dynamic, professional, competent and proactive management services in San Francisco and the greater Bay Area, commemorated its ten year anniversary with a celebratory bash on June 25 at Axis Café and Gallery in Potrero Hill. Since its founding on July 1, 1999, CitiScape has developed a full complement of client services such as community association management, project management, proprietary maintenance services, life safety services and an on-line service request tracking system.

"On this special day, we celebrate our loyal clients, dedicated staff members and quality service vendors for their continuing support as partners in our growth," said Kevin Wiley, President and Co-Founder of CitiScape.

"I'm really excited about what the next 10 years will bring. We're expecting continued growth with our client base and we're looking forward to forging new strategic partnerships that will continue to help us expand our reach and provide resources that will be of even greater benefit to our clients," said Robert Simms, Principal and Director of Property Management.

Earlier this year, CitiScape earned industry recognition from the San Francisco Business Times as the 15th largest property management firm in the Bay Area and was nominated as one of the Best Places to Work in the Bay Area.
